BF3 Brake Fluid

BRAKE FLUID BF3

The most important thing about brake fluid performance is how well it matches the rubber and metal parts.

Seiken brake fluid is a product that matches Seiken brake parts, allowing both parts to perform to their full potential.

CHEMICAL CHARACTERISTICS

Type	BF3/DOT-3
Color	Amber
Norma	FMVSS N116 DOT-3 HJ1703 JIS K2233 BF-3
Equilibrium Reflux Boiling Point (ERBP)	254 °C
Increase of volume,%	16
Wet ERBP	150 min.
pH value	9.4 min.
Kinematic Viscosity, mm ² /s At-40 °C	1500 max
Kinematic Viscosity, mm ² /s At 100 °C	1.9 min
